WHY DUBAI

EVERY SERIOUS AUTO PLAYER'S **NEXT MOVE**

Reach two-thirds of the world's population in just an **8-hour Flight.**

Operate from the world's **second-largest** vehicle re-export hub.

Access a global supply chain through over **150 DP World Ports and 90 weekly services.**

Leverage Dubai's position at the center of MENA automotive trade, with **65% of regional re-exports** flowing through the city.

Tap into a **Đ127 billion** automotive trade market built on efficiency and scale.

DUBAI AUTO MARKET

A GLOBAL ECOSYSTEM BUILT FOR **SCALE AND RESILIENCE**

DUBAI AUTO MARKET IS MORE THAN A MARKETPLACE, IT'S A NEXT-GENERATION ECOSYSTEM UNITING THE ENTIRE AUTOMOTIVE VALUE CHAIN UNDER ONE ROOF.

A COMPLETE BUSINESS ECOSYSTEM

A robust network of dedicated clusters for **spare parts and accessories,** state-of-the-art recycling, scrapping, testing, and compliance centers, and specialized logistics zones ensure **seamless global flows.**

A PRIME LOCATION FOR GLOBAL TRADE

Only 35 km from Jebel Ali Port that means an estimated travel time of just 50 minutes to the port and 40 minutes to the city center.

SEAMLESS DUAL-ZONE INTEGRATION

Our unique model seamlessly combines **Mainland and Free Zone** advantages.

Mainland Side
Engage in direct retail, access financial services, host events, house employees, utilize a state-of-the-art test track and connect with customers.

Free Zone Side
Leverage scalable warehousing, showrooms, vehicle parking & storage, service centres, efficient auctions and streamlined global logistics to serve international markets.

UNRIVALED SCALE & CAPACITY

Spanning **2 million sqm** our hub has the capacity to handle **800,000 vehicles** annually.

A vibrant marketplace featuring **1,533 showrooms, 47 workshops** and specialized zones for auctions and customization, including a **40,000 sqm** auction space and a **40,000 sqm** repair and customization area.
